COOLORS COLLECTION *is inspired by the power of color. Colors are used for their aesthetics as well as their ability to influence the human psyche through the stimulation of one's visual sense. Colors induce many emotions and states of mind, thus by associating color sensations with our collection, we intend to stimulate emotions that allow all who come in contact with our designs the chance to identify with them and bring some color in to their world.* BOCA DO LOBO *is a symbol of exception, of perfection. With the support of twenty-five talented artisans from the North of Portugal, the craftsmen have always drawn inspiration from its roots, its craftsmanship and its heritage to transmute tradition into creation.*
COOLORS COLLECTION *transmits* BOCA DO LOBO*'s unique skill through technical innovations and stylistic, daring and exceptional partnerships with elite artisans (glasscutter, engravers, goldsmith) to transcend its excellence, becoming a major international luxury label.*
