MILIONAIRE | LUXURY SAFE

This hyper luxury safe piece promptly takes us to scenes strongly saved in our memory, deeply enriched by today's visual culture. Born in the beginning of the 19th century, followed the increase of bank robberies after the Gold Rush of 1849 and kept itself sacred to successive break-in attempts, remaining deformed forever. Lockable drawers and a whole structure in mahogany, coated in highly polished brass and dipped in gold, this piece has an indisputable value. As safe and secure as its owner holds secrets, to be unveiled only by time itself.
